

Hospice Kits

The HIV/AIDS Epidemic has added enormous challenges to health care worldwide. Missionaries, health care workers, and patients' families in third world countries must provide daily care to AIDS patients who suffer from the symptoms of a devastating, end stage disease. It is not a disease we can ignore and it is not going away.

A gift has been given in your honor to create a hospice kit through Global Health Ministries to provide cleanliness and comfort for someone who is suffering. A hospice kit includes: a towel, a washcloth, soap, a toothbrush and toothpaste, a comb, nail clippers, band aids, petroleum jelly, rubber gloves, and a devotional booklet. Please pray for the recipient of your gift that they might receive the spiritual and medical care the need.

May you feel joy this Christmas through this gift to others in need, and in God's gift to us all, Jesus Christ.
