

Newborn Kits

The birth of a baby should be a happy experience. In some countries, however, it brings new worries and problems. Global Health Ministries provides newborn kits that allow midwives and mothers to feel that they are not alone, that someone cares, and that they can welcome their babies into a safer world. A newborn kit includes: a sheet, bath towel, washcloth, bar of soap, newborn hat, baby t-shirt, and a receiving blanket.

A gift has been given in your honor to provide a kit for a new mother and baby. Please pray for the mother and child, that they know the love of Christ, and pray for the medical staff who provide spiritual and medical care during delivery.

May you feel joy this Christmas through this gift to others in need, and in God's gift to us all, Jesus Christ.
