

## *Orthopedic Rehabilitation*

A gift has been given in your honor to provide orthopedic and/or rehabilitative services to a child in Tanzania. Children who live in areas with excessive fluoride in their water supplies develop bone damage and deformity to their legs so they cannot walk. Your gift means a child will now be able to walk, run, be active, and be an accepted part of his or her community.

*May you feel joy this Christmas through this gift to others in need, and in God's gift to us all, Jesus Christ.*
